187. Attendance of the 1st International Symposium of Social Dentistry 26-27 May, 1987 organized by the Greek Social Insurance Fund "I.K.A" under the sponsorship of the Ministry of Health, Welfare and Social Insurance, Athens-Greece.
188. Attendance of a one- day Seminar (Measurement of pulpal microcirculation with Laser- A new diagnostic method for pulpal disease) held by Dr. Lennard Edwall, Professor of the Karolinska University of Sweden. 4th June, 1987. Athens-Greece.
189. Participation in a one- day seminar October 3rd 1985, Athens-Greece hold by Pro. Lennart Dawll, Karolinska University of Stockholm –Sweden on the following topics:
1. Mechanism of pulp inflammation.
  2. Pain research in human teeth.
190. Participation in the works of the 5th Panhellenic Dental Conference of the Hellenic Dental Association. 24-27 October, 1985, Nicosia – Cyprus.
191. Participation in the works of the 4th Panhellenic Dental Conference of the Hellenic Dental Association. 11-14 October 1984, Patras – Greece.

192. Attendance of the 2- day Symposium of periodontics with lecturers: Pro. Harold Loe (Director of the national institute of dental research of the N.I.H.-USA, Prof. Roy Pago, Prof. Klaus Lang & Prof. Ken Kornman 18-19 June,1984 Athens-Greece.

**Editorial Board and Reviewing Attachments:**

1. Editorial Board Member for the Dentistry and Oral Biology. 2017.
2. Editorial Board member, The Open Dentistry Journal, 2017.
3. Editorial Board member, Madridge Journal of Dentistry and Oral Surgery (MJDL) 2017.
4. Editorial Board member, Journal of Oral Health and Dental Research, 2017.
5. Editorial Board member, Endodontology, Indian Endodontic society, 2016.
6. Editorial Board member, Journal of Conservative Dentistry, 2015.
7. Reviewing the manuscript entitled "Prevalence of Post - Obturation Pain in Diabetic Patients undergoing Root Canal Treatment." Journal of the Royal Medical Services. 2017.
8. Editorial Board Member, Journal of Dental science, Oral & Maxillofacial Research (JDSOMR) 2017.
9. Reviewing the manuscript titled: "Post-endodontic pain after root canal treatment of symptomatic teeth with two rotary systems: A randomized clinical trial" MERIT RESEARCH JOURNAL OF MEDICINE AND MEDICAL SCIENCES, 2017.
10. Reviewer of the manuscript # JICD-13-OA-0179 entitled "The effect of root canal dimensions, injection rate and needle design on apical extrusion of irrigant." for Journal of Investigative and Clinical Dentistry. Sep 2013.
11. Reviewer of the manuscript ID JICD-11-OA-0144 entitled "Validity, Yield and Accuracy of Cold and Electric Pulp Diagnostic Tests" for Journal of Investigative and Clinical Dentistry. Jul-2011.
12. Evaluation of the research proposal of the center of Excellence for Osteoporosis Research (CEOR) #CEOR/003-08 Characterization of oral and bone health in Saudi

population diagnosed with of Osteopenia or Osteoporosis ,  
Sep 2009.

13. Board of editors, Section Editor for Endodontics, The Jordan  
Dental Journal 1998-2002.

14. Reviewer of research articles for the 39th week of science  
held in Damascus 6-11 November 1999 received officially for  
reviewing by the Faculty of Dentistry, University of Jordan 18  
July 1999.

**External examiner, Cognate and Reviewer of  
(M.Sc. Theses):**

1. Master Degree (M.Sc.) Thesis (Dr Hanan Omar Abdul Khatib):  
Assessment of pulpotomy procedures in cariously exposed pulps  
using NeoMTA plus in permanent teeth.  
Jordan University of Science and Technology, December 2018.
2. PhD Thesis " External examiner for the promotion of the  
Resident. DANA YOUSIF Al RAEESI, Mechanical Properties of  
Glide Path Preparation Instruments: G-File and G-File New  
Generation MOHAMMED BIN RASHID UNIVERSITY OF  
MEDIC'NE AND HEALTH SCIENCES, University, JAN/2018
3. PhD Thesis " "FACTORS AFFECTING IRRIGATION  
DYNAMICS IN ENDODONTICS" for the promotion of Dr.  
Gopi Krishna, Educational and research institute, University,  
Chennai, India, 2017.
4. Reviewing the promotion of Dr. Ammar Al Shamrani, Taef  
University, KSA for the post of Associate Prof. 2017.
5. Reviewing the manuscript entitled "Quality aspects of ex vivo  
root canal treatments done by undergraduate dental students using  
four different file systems." Acta Odontologica Scandinavica,  
2017.
6. Master Degree (M.Sc.) Thesis (Dr Mohammad Fadel Khazali):  
Jordan University of Science and Technology, October 22, 2015.
7. Master Degree (M.Sc.) Thesis (Dr Ghena Moussa Al-Barqawi):  
In Vivo Evaluation of the accuracy of Electronic and  
Radiographic Working Length Determination. Jordan University  
of Science and Technology, December 2006.
8. Master Degree (M.Sc.) Thesis (Dr Areej Al Kayyali): Torsional  
Fracture of Nickel-Titanium Endodontic Rotary Instruments.  
Jordan University of Science and Technology, February 2007.
9. Master Degree (M.Sc.) Thesis (Dr Mustafa Abdulla Al-Sayed):  
Undergraduate education in endodontology at two Middle-  
Eastern dental schools / compared with the European teaching.  
Jordan University of Science and Technology, Jordan University  
of Science and Technology, August 2007.

10. Master Degree (M.Sc.) Thesis (Dr Sahar Khalil Al- Nejdawi): Adoption of rotary Nickel-Titanium endodontic instrument by Jordanian dentists' subpopulation in Amman governorate. Jordan University of Science and Technology, January 2008.
11. Master Degree (M.Sc.) Thesis (Dr Sammy Sulaiman Bazzary): Effect of Sodium Hypochlorite and EDTA on Torsion Fracture of NiTi ProTaper Endodontic Instruments, Jordan University of Science and Technology, December 2008.

**Completion and submission of the following Manuals for the Jordan Medical Council:**

1. Education Committee, Asia Pacific Endodontic Confederation(APEC) Portfolio. May 2019.
2. Guidelines for local training of resident dentists and the requirements of obtaining the Jordanian Board certificate in dental specialty field. July 2011.
3. Residency Endodontic Program Manual / Jordan Medical Council. April 2013.
4. Internship Training Program / Jordan medical Council. October 2012.
5. Internship Crash Course outline / Jordan medical Council. November 2012.
6. Advisory Manual of Examination and Evaluation System. Jordan Medical Council. December 2012.
7. Part 1 Examination Manual (Curriculum and Program) / In coordination with Center for Educational Development, University of Jordan. Jordan Medical Council. December 2012.

**Articles Published in the Jordan Dental Journal – Arabic Edition:**

1. Endodontic Treatment in Jordan. September 2003.
2. Essential Developments or a Chaos. March 2008.
3. Beyond Teaching: The Competitive Dentist. Oct 2012.

**Honors & Appreciations:**

1. A letter of Appreciation by Prof. Ahmad Hamdan, Dean of the School of Dentistry, the University of Jordan on the Successful conclusion of the 1st & 2nd International and 11th & 12th Annual Conference of the School of Dentistry, the University of Jordan, 2019

2. A letter of Appreciation by Prof. Mehmet Kayahan, President of APEC following my election as the Chairman of the Education of the Asia Pacific Endodontic Confederation(APEC)
3. International "Globe Award" in Endodontics offered by the International Federation of Endodontic associations & a letter of appreciation by Prof. Sam Dorn, President of IFEA.
4. A letter of Appreciation by Prof. Peet van der Vyver, on behalf of the International Federation of Endodontic Association and the South African Society of Endodontics & Aesthetic Dentistry" for your presentation that granted an overwhelming positive response based on feedback from the delegates and contribution to the success of the congress" at the end of the 10TH WORLD ENDODONTIC CONGRESS 3 – 6 JUNE 2016, CAPE TOWN, SOUTH AFRICA.
5. A letter of Appreciation the Vice President of the University of Jordan Dr Hala Al Khaimi at the end of the successful workshop organized at the Center of Educational Development
6. A letter of Appreciation by Prof. Kefah Al Jamaani, Dean of the School of Dentistry, the University of Jordan on the donation of 500 JD to the faculty at the end o the workshop organized in coordination with the committee of new graduate dentists, Jordan Dental Association. Jan, 2011.
7. A letter of Appreciation by the President of Jordan Dental Association on my taking over the presidency of the Asia Pacific Endodontic Confederation. October 2011.
8. A letter of Appreciation to the President of the University of Jordan by the President of Jordan Dental Association on my taking over the presidency of the Asia Pacific Endodontic Confederation. October 2011.
9. Honorary plaque presented by the president of the University of Jordan, Dr kahled al-Karaky at the 3rd Conference of the Faculty of Dentistry, Unversity of Jordan. 3 June 2010.
10. A letter of Appreciation by Dr Darwish Badran, Head of Center for Educational Development on the results obtained "excellent" of the evaluation by the participants of the hands-on Course (NiTi Rotary Instrumentation: A New Vision of Endodontics) June 5, 2009
11. A letter of Appreciation by Dr Gazi bakeen, Dean of the faculty of Dentistry, University of Jordan for my contributions at the end of the academic year and the success of the Scientific Day and the day of graduates. 23 June 2009.

12. A letter of Appreciation by Dr Anwar al Battekhi , Dean Scientific research on the “ valuable” efforts and results of my supported research by the deanship of scientific research titled “ Pattern of Routine Endodontic Procedures Rendered by Jordanian Dentists. 1. Mummification: Crisis and Skepticism” April, 1997.

13. A letter of appreciation by the dean of the Faculty of Dentistry, University of Jordan on the success and the evaluation results by the participants of the endodontic workshop organized and supervised by me in the Faculty. 6 Feb 1995.
