#### 18. Course Description:

Discussion of new literature in the field of paediatric dentistry including dental caries, prevention, dental anomalies, oral surgery and oral medicine, radiology, medically compromised patients, and special health care needs.

### 19. Course aims and outcomes:

#### A- Aims:

To provide students with the academic knowledge to enable them to critical appraise the literature and evaluate new topics and techniques.

B- Intended Learning Outcomes (ILOs): Upon successful completion of this course students will be able to:

1. Conduct critical appraisal of literature
2. Discuss new trends presenting in the field of pediatric dentistry.

### 20. Topic Outline and Schedule:

According to the literature and topics at the time

### 21. Teaching Methods and Assignments:

. Development of ILOs is promoted through the following teaching and learning methods:

- 1- 1 seminar per week of 3 hour duration in which supervisor and students will prepare based on their search for the most relevant and related literature

## 22. Evaluation Methods and Course Requirements:

Opportunities to demonstrate achievement of the ILOs are provided through the following assessment methods:

- Midterm exam: 50 %
- Final Exam: 50 %

## 23. Course Policies:

A- Attendance policies:

Seminar and lecture attendance is obligatory. Students are not allowed to attend final exam if they exceed the permitted percentage set in the UJ's regulations.

B- Absences from exams and handing in assignments on time:

The student will be allowed to set for a make-up exam (usually essay) if he/she did not attend the exam due to an acceptable excuse and the excuse was presented in due time as set in the UJ's regulations. If he/she did not attend an exam without an acceptable excuse the student's mark for that exam will be zero. Contributions in e-learning forums are accepted if submitted 24 hours before time of final exam.

C- Health and safety procedures:

No special recommendations.

D- Honesty policy regarding cheating, plagiarism, misbehavior:

Cheating is considered an unacceptable behavior in exams and a reason for unsuccessful course result. Please refer for your *Student Guide* book for detailed regulations.

E- Grading policy:

Percentage marks are converted to letters. (A)/(A-) are usually given for top 10-15% of students. Percentage mark < 50 does not mean a mark of (D-) or (F).

F- Available university services that support achievement in the course:

Students can utilize UJ's medical or main library facilities. In addition, they can access e-journals and e-books within campus. They can access the Moodle e-learning through the UJ's wireless internet facilities for free or through the computer lab in the Faculty of Dentistry. A lot of other facilities and support can be provided through the Deanship of Student Affairs.
