

The University of Jordan

Accreditation & Quality Assurance Center

1	Course title	Oral Pathology Theory-2
2	Course number	1301454
3	Credit hours (theory, practical)	One credit hour (theory)
	Contact hours (theory, practical)	One hour/week
4	Prerequisites/corequisites	1201354
5	Program title	Doctor of Dental Surgery (DDS)
6	Program code	NA
7	Awarding institution	The University of Jordan
8	Faculty	Faculty of Dentistry
9	Department	Department of Oral Surgery, Oral Medicine and Periodontology
10	Level of course	Bachelor
11	Year of study and semester (s)	Fourth year, First semester
12	Final Qualification	DDS
13	Other department (s) involved in teaching the course	None
14	Language of Instruction	English
15	Date of production/revision	September/2019

16. Course Coordinator:

Name: Prof Faleh Sawair
Office Number: Faculty of Dentistry, 203
Office Phone: 23552
E-mail: sawair@ju.edu.jo
Office hours: Sunday 10-12 am and through Moodle e-learning.

17. Other instructors:

None

18. Course Description:

This course is a continuation of study of oral pathology of oral mucosa, dental tissues and related structures.

Students learn about the pathogenesis, aetiology, histopathological features and diagnostic methods of a range of lesions of the oral mucosa and jawbones, including white lesions, infections, ulcers, salivary gland disease, odontogenic tumors, bone disorders and oral manifestations of systemic diseases.

19. Course aims and outcomes:**A- Aims:**

This course is aiming to provide the students with knowledge about common oral lesions of the oral and peri-oral regions that might be encountered during practice of dentistry and how to deal with such oral pathologies in terms of diagnosis and management.

B- Intended Learning Outcomes (ILOs): Upon successful completion of this course, students will be able to:

1. Recognize normal oral anatomy and variations of normal.
2. Relate oral pathology to other dental sciences.
3. Distinguish features of common oral diseases that help in its clinical diagnosis.
4. Generate a differential diagnosis for common oral lesions or diseases.
5. Explain the pathogenesis and etiological factors of various oral diseases.
6. Connect histopathological features of oral lesions to its clinical presentation and management.
7. Demonstrate the skills of analytical problem solving, investigation, and self-development in the field of oral pathology.

20. Topic Outline and Schedule:

Topic	Week	Instructor	Achieved ILOs	Evaluation Methods	Reference
White mucosal lesions	1, 2	Prof Sawair	1, 3, 4	22 (1, 2)	25 (A, B) and Moodle
Infective stomatitis	3, 4	Prof Sawair	3, 4, 5	22 (1, 2)	25 (A, B) and Moodle
Non-infective stomatitis	5, 6	Prof Sawair	2, 3, 4, 5	22 (1, 2)	25 (A, B) and Moodle
Neoplastic and non-neoplastic diseases of the salivary glands	7, 8	Prof Sawair	1, 3, 4, 6	22 (1, 2)	25 (A, B) and Moodle
Odontogenic tumours	9, 10	Prof Sawair	3, 4, 5, 6	22 (1, 2)	25 (A, B) and Moodle
Bone diseases	11, 12	Prof Sawair	3, 4, 5, 6	22 (1, 2)	25 (A, B) and Moodle

Miscellaneous disorders	13, 14	Prof Sawair	2, 5, 6, 7	22 (1, 2)	25 (A, B) and Moodle
-------------------------	--------	-------------	------------	-----------	----------------------

21. Teaching Methods and Assignments:

Development of ILOs is promoted through the following teaching and learning methods:

- 1- **Lectures:** 14 one-hour lectures
- 2- **Moodle:** e-learning through lecture notes and forum discussions
- 3- **Assignments:** consisting of literature search looking for answers for questions raised in lectures and discussing it in Moodle forums and lectures.

22. Evaluation Methods and Course Requirements:

Opportunities to demonstrate achievement of the ILOs are provided through the following assessment methods and requirements:

1. **Midterm exam** (MCQs or essays), **e-learning discussions:** 40 points..
2. **Final Exam:** 60 points. MCQs or essays

23. Course Policies:

A- Attendance policies:

Lecture attendance is obligatory. The hand-out and recommended textbook are not comprehensive and additional material will be covered in lectures. You are responsible for all material covered in lectures and material covered in e-learning discussions. Students are not allowed to enter lecture room after 5 minutes of its start. Marks are not awarded for attendance. Students are not allowed to attend final exam if they exceed the permitted percentage set in the UJ's regulations.

B- Absences from exams and handing in assignments on time:

The student will be allowed to set for a make-up exam (usually essay) if he/she did not attend the exam due to an acceptable excuse and the excuse was presented in due time as set in the UJ's regulations. If he/she did not attend an exam without an acceptable excuse the student's mark for that exam will be zero. Contributions in e-learning forums are accepted if submitted 24 hours before time of final exam.

C- Health and safety procedures:

No special recommendations.

D- Honesty policy regarding cheating, plagiarism, misbehavior:

Cheating is considered an unacceptable behavior in exams and a reason for unsuccessful course

result. Please refer for your ***Student Guide*** book for detailed regulations.

E- Grading policy:

Percentage marks are converted to letters. (A)/(A-) are usually given for top 10-15% of students. Percentage mark < 50 does not mean a mark of (D-) or (F).

F- Available university services that support achievement in the course:

Students can utilize UJ's medical or main library facilities. In addition, they can access e-journals and e-books within campus. They can access the Moodle e-learning through the UJ's wireless internet facilities for free or through the computer lab in the Faculty of Dentistry. A lot of other facilities and support can be provided through the Deanship of Student Affairs.

24. Required equipment:

None special

25. References:

A- Required book (s), assigned reading and audio-visuals:

Oral Pathology; by J. V. Soames and Southam, 4th edition 2005, Oxford University Press.

B- Recommended books, materials, and media:

1. Essentials of Oral Pathology and Oral Medicine; by R. A. Cawson, E. W. Odell; 8th edition 2008, Publisher: Churchill Livingstone.
2. Contemporary Oral and Maxillofacial Pathology; by J. Philip Sapp, Lewis R. Eversole, George P. Wysocki, Philip Sapp; 2nd edition 2003, Publisher: Mosby, 450 pages.
3. Oral & Maxillofacial Pathology; by Brad W. Neville (Editor), Douglas D., Dds Damm, Carl M., Dds Allen, Jerry E., Dds Bouquo, 3rd edition 2008; Publisher: W B Saunders Co.

26. Additional information:

Expected workload:

On average you should expect to spend between 3 and 5 hours per week on this course.
