

Course E-Syllabus

1	Course title	Oral Pathology Practical Online course
2	Course number	1301352
3	Credit hours	1/2 credit hour (practical)
	Contact hours (theory, practical)	Two hours/week
4	Prerequisites/corequisites	1301354
5	Program title	Doctor of Dental Surgery (DDS)
6	Program code	NA
7	Awarding institution	The University of Jordan
8	School	Faculty of Dentistry
9	Department	Department of Oral Surgery, Oral Medicine and Periodontology
10	Level of course	Bachelor
11	Year of study and semester (s)	Third year, Summer semester
12	Final Qualification	DDS
13	Other department (s) involved in teaching the course	None
14	Language of Instruction	English
15	Teaching methodology	<input type="checkbox"/> Blended <input checked="" type="checkbox"/> Online
16	Electronic platform(s)	<input checked="" type="checkbox"/> Moodle <input checked="" type="checkbox"/> Microsoft Teams <input type="checkbox"/> Skype <input type="checkbox"/> Zoom <input type="checkbox"/> Others.....
17	Date of production/revision	June 2002/June 2020

20 Course Description:

As stated in the approved study plan.

In this course the common and important oral dental and mucosal lesions of the oral and perioral tissues are discussed including some developmental anomalies, caries, pulp, periapical and periodontal diseases, cystic lesions, oral connective tissue lesions and squamous cell carcinoma.

21 Course aims and outcomes:

A- Aims:

This course is aiming to provide the students with skills in recognizing and dealing with common oral pathologies.

B- Intended Learning Outcomes (ILOs): Upon successful completion of this course, students will be able to:

1. Distinguish the clinical, radiological, and histopathological features of common and important oral diseases of the oral cavity.
2. Analyze and connect the various features of the disease to reach its correct diagnosis.
3. Write summaries about oral diseases that includes its distinguishing features.
4. Gather information about a problem based question from the literature.
5. Communicate with colleagues and staff using e-learning facilities.
6. Work effectively in case discussions and presentations.

22. Topic Outline and Schedule:

Week	Topic	Teaching Methods*/platform	Evaluation Methods*	References
1	Developmental disturbances of the oral region	Synchronous meetings and seminars. Moodle: e-learning through case discussions, formative quizzes, and forum discussions	Discussion of cases online, seminars contributions, midterm and final exams/according to current regulations	26 and Moodle resources.
2				
3	Dental caries and chronic non-carious injuries to teeth			
4	Disorders of the dental pulp, Periapical lesions & Diseases of the periodontium			
5	Cysts of the oral region			
6				
7	Neoplastic & non-neoplastic diseases of oral connective tissues & Oral epithelial tumors			

- Teaching methods include: Synchronous lecturing/meeting; Asynchronous lecturing/meeting
- Evaluation methods include: Homework, Quiz, Exam, pre-lab quiz...etc

23 Evaluation Methods:

Opportunities to demonstrate achievement of the ILOs are provided through the following assessment methods and requirements:

Evaluation Activity	Mark	Topic(s)	Period (Week)	Platform
Discussion of cases online	20	All topics	Whole	M. teams
Midterm exam	30	Developmental disturbances of the oral region Dental caries and chronic non-carious injuries to teeth Disorders of the dental pulp Periapical lesions	4 th week	Online LM system & Google Meet
Contributions	10	All topics	Whole	Moodle
Final Exam	40	All material covered with concentration on post-midterm	8 th week	Online LM system & Google Meet

24 Course Requirements (e.g: students should have a computer, internet connection, webcam, account on a specific software/platform...etc):

Students should have a computer, internet connection, webcam, account on Microsoft teams, Google meet and Moodle platforms.

25 Course Policies:

A- Attendance policies:

Online lecture attendance is obligatory. The hand-out and recommended textbook are not comprehensive and additional material will be covered in lectures. You are responsible for all material covered in lectures and material covered in e-learning discussions. Marks are not awarded for attendance. Students are not allowed to attend final exam if they exceed the permitted percentage of absence set in the UJ's regulations.

B- Absences from exams and submitting assignments on time:

The student will be allowed to set for a make-up exam (usually essay) if he/she did not attend the exam due to an acceptable excuse and the excuse was presented in due time as set in the UJ's regulations. If he/she did not attend an exam without an acceptable excuse the student's mark for that exam will be zero. Contributions in e-learning forums are accepted if submitted 24 hours before time of final exam.

C- Health and safety procedures:

No special recommendations.

D- Honesty policy regarding cheating, plagiarism, misbehavior:

Cheating is considered an unacceptable behavior in exams and a reason for unsuccessful course result. Please refer for your Student Guide book for detailed regulations.

E- Grading policy:

Percentage marks are converted to letters. (A)/(A-) are usually given for top 10-15% of students. Percentage mark < 50 does not mean a mark of (D-) or (F).

F- Available university services that support achievement in the course:

Students can utilize UJ's main library facilities. In addition, they can access e-journals and e-books within campus. They can access the Moodle e-learning through the UJ's wireless internet facilities for free or through the computer lab in the Faculty of Dentistry. A lot of other facilities and support can be provided through the Deanship of Student Affairs.

26 References:

A- Required book (s), assigned reading and audio-visuals:

Oral Pathology; by J. V. Soames and Southam, 5th edition 2018, Oxford University Press.

B- Recommended books, materials, and media:

1. Essentials of Oral Pathology and Oral Medicine; by R. A. Cawson, E. W. Odell; 9th edition 2017, Publisher: Churchill Livingstone.

2. Contemporary Oral and Maxillofacial Pathology; by J.Philip Sapp,Lewis R.Eversole, George P. Wysocki, Philip Sapp; 2nd edition 2003, Publisher: Mosby, 450 pages.

3. Oral & Maxillofacial Pathology; by Brad W. Neville (Editor), Douglas D., Dds Damm, Carl M., Dds Allen, Jerry E., Dds Bouquo, 4th edition 2015; Publisher: W B Saunders Co.

27 Additional information:

On average you should expect to spend between 2 and 3 hours per week on this course.
